

SYURI NATURALS PROFESSIONAL PRODUCTS

Syuri Naturals' products are 100% Natural and use the earth's resources to help restore the damage to our hair that we experience from everyday pollutants in the air, water, and food.

About us

Syuri Naturals Products are specifically designed to help restore moisture, vitamins, and strength to the hair. Each Product is designed specifically for the hair processes. This is instrumental in providing the hair with the essential nourishment it may be lacking because of chemical processing, or everyday pollutants. Syuri Naturals have not been diluted in strength. Syuri Naturals are guaranteed pure using a mix of essential oils and extracts and vitamins in order to meet your clients' expectations

OUR PRODUCTS

HNF Organic Treatment Hair Nourishment Food

A light blend of herbs and natural extracts specially formulated to provide the necessary strength to hair shaft while penetrating the scalp to encourage hair growth by producing more blood function..

Conditioning Nourishment Oil

Specifically designed to fortify natural hair with vitamins needed for shaft strength. Aids in adding and restoring natural shine, combat itching and doesn't leave a heavy residue in hair, locks, or braids.

Soft Locs Lock Butter

Provides extreme moisture and shine without leaving a heavy residue in hair. This product allows hair to be retwisted to maintain maximum hold without harsh or drying chemicals.

Vitamin Soothe

Light hair dressing that helps to heal sores on scalp from scratching, relaxer irritation, or other dry scalp disorders. Soothes the scalp without causing further dryness.

Extreme Moisture Shampoo

Light all natural mixture to cleanse the scalp and hair without drying it out. Its use is ideal for all hair types to provide hair with shine and body.

Pre-Cleanse Solution

This is a natural antiseptic, which aids in scalp repair of many dry scalp disorders and helps to relieve itching and burning. Gentle enough to be used for eczema and psoriasis.

Water Serum

Conditioning nourishment serum provides hair with vitamins and proteins needed to maintain optimal elasticity. It gives the hair the ability maintain moisture and will not weigh hair down.

Regenerating Conditioner

The conditioner is fortified with vitamins and proteins to aid in moisture retention. Gives the hair shine and helps to stop shedding. This treatment is essential for hair that is extremely dry and unmanageable.

Supreme Sheen

No water /no alcohol

Keeps hair healthy and shiny without using harsh aerosol sprays. Many aerosol containers contribute to environment pollution. They also are responsible for triggering asthma and allergy attacks, and are known carcinogens. This sheen spray does not contain any water, is light, and will not weigh the hair down. This product can also be used to press hair giving hair a nice relaxed look for natural hair without weighing it down. Gives extreme body.

Shea Butter & Vitamins

Pure Shea Butter that can be used on hair or Skin as needed for luster and softness.
